VERSE 1

When you take the stars out the sky, there'll be no night

When you take the fish from the water, there'll be no sea

When you take the sun from our time, there'll be no light

And when you take life from the tree, there'll be no me

PRE-CHORUS

And some say another rainbow will find its way

And someday another rainbow will come and stay

CHORUS

Once you get through the rainfall, there's another rainbow

See it all through the grey clouds, there's another rainbow

Once you get through the rainfall, there's another rainbow

See it all through the grey clouds, there's another rainbow

Whoa oh oh, whoa oh oh

Whoa oh oh, Oh oh

Whoa oh oh, whoa oh oh

Whoa oh oh, Oh oh

VERSE 2

When we take the time to be wise, there'll be no hurry
When we learn to heal all the hurt, there'll be no pain
When we find the piece of our minds, there'll be no worry
When we give the love in our hearts, there'll be no hate

PRE-CHORUS

And some say another rainbow will find its way
And someday another rainbow will come and stay

CHORUS

Once you get through the rainfall, there's another rainbow
See it all through the grey clouds, there's another rainbow

BRIDGE

We all have many colors, but one shadow
We can unite as a people with one love
We are just looking for that, for that rainbow
That gives us peace in our hearts
That gives us peace in our hearts

CHORUS

Once you get through the rainfall, there's another rainbow
See it all through the grey clouds, there's another rainbow
Once you get through the rainfall, there's another rainbow
See it all through the grey clouds, there's another rainbow
