I set out on a narrow way

G A | D |

Many years ago

D | G A |

Hoping I would find true love

G A | D |

Along the broken road

Bm | A |

But I got lost a time or two

G | D |

Wiped my brow and kept pushing through

Bm A | G D |

I couldn't see how- every sign

G A | D |

Pointed straight to you

D | G | D

Every long lost dream

A | Bm

Led me to where you are

A | G | D

Others who broke my heart

Em | A |

They were like Northern stars

G |

Pointing me on my way

D | A |

Into your loving

Bm A | G | G

arms, This much I know is true

D | G A |

That God blessed the broken road

G A | D |

That led me straight to you

D | G A |

I think about the years I spent

G A | D |

Just passing through

D | G A |

I'd like to have the time I lost

G A | D |

And give it back to you

Bm | A |

But you just smile and take my hand

G | D |

You've been there you understand

Bm A | G D |

It's all part of a grander plan

D A | D |

That is coming true

D | G | D

Every long lost dream
