VERSE 1

When you close your ^{| C \} eyes do you ^{Dm \} go back ^{| F \} there?
To a bended ^{| Am \} knee and a 'Lord, I need You'—^{G \}whispered—^{| F \}prayer
Remember the ^{| C \} moment you let ^{Dm \} Jesus ^{| F \} in
Would you give ^{| Am \} anything to ^{Am \} go back there ^{| F \} again?

You feel like a ^{| G} million mistakes and a million miles
^{Am} Away from the first time faith of a child
^{| F} But oh, I want you to ^{| F single} know

CHORUS (singles)

^{| C} He's making you new, ^{| F} He's making you new
^{| Am} He's healing your heart right where you are
^{| F pickup_pace} If ^{| C} only you knew, He's lifting your shame
^{| F} He's changing your name
^{| Am} And when you look back the only thing that
^{| F} You'll see is His grace
^{Am \ G \ F \ \} Has been ^{| C} mak—ing you brand new
^{| Am \ G \ F \ \} He is ^{| C} mak—ing you brand new

VERSE 2

When it just doesn't ^{| C \ \ \} feel like the old ^{Dm \} you is ^{| F} gone
The shame keeps ^{| Am \ \ \} telling your heart that you should be ^{G \} further a-long ^{| F}
You can fix your ^{| C \ \ \} eyes now on the ^{Dm \} truth you ^{| F} know
That you are ^{| Am \ \ \} held by the hands of a Savior that ^{G \} won't let ^{| F percussive} go

CHORUS (D DUD DUD DUD)

He's making you new, He's making you new
 He's healing your heart right where you are, If only you knew
 He's lifting your shame, He's changing your name
 And when you look back the only thing that
 You'll see is His grace
 Has been making you brand new
 He is making you brand new

BRIDGE (percussive)

Anyone in Christ is now a new creation
 Every day you're closer to the you He's making
 So take one last look back and see your past erasing
 You are not who you were, that's over and done
 So lift up your eyes to the one

CHORUS

He's making you new, He's making you new
 He's healing your heart right where you are, If only you knew
 He's lifting your shame, He's changing your name
 And when you look back the only thing that
 You'll see is His grace
 Has been making you brand new
 He is making you brand new
 He is making you brand new
