

Come Kiss Me

Tryon

G D | C |

strum: 4,3,2,3,4

G | G
A thousand nights I've prayed for this to happen
| D | G | Em
And a thousand angels led me here to you
| Em |
So many nights I've dreamt about this moment, and
C | C |
Looking at you looks like they're coming true...

G | G |
Everybody waits to get to heaven, but
D | D | Em
Seeing you in white, - it looks like heaven came to me
| Em | C
I've never been so confident in anything, girl
| C | G |
Standing here is where I'm meant to be, in love...
G | G |
Girl, I'm so in love

D | G
And, look at us now
| D
Look what we've become
| C | C
I know from the day we met that you were the one
| G | D
I can't see the future but I promise my bride
| Em D | C
No matter what comes I'll be by your side
| Em D | C
Girl, we're one step away from complete
| G D | C |
Baby, come kiss me—

Hey,
G | G |
Girl, I've never doubted for a second, no.
G | D | Em7
Even when we felt the world against me and you
| Em | C
And here we stand together now, proof that it's real
| C | D |
The fairytale of us is coming true, after all

G | D |
Ooohhh, love wins af-ter all

D | G
And, look at us now

| D
Look what we've become

C | C
I know from the day we met that you were the one

| G | D
I can't see the future but I promise my bride

| Em D | C
No matter what comes I'll be by your side

| Em D | C
Girl, we're one step away from complete

| D |
Baby, come kiss me

(try playing C and D down the neck)

D | G
And, look at us now

| D
Look what we've become

C | C
I know from the day we met that you were the one

| G | D
I can't see the future but I promise my bride

| Em D | C
No matter what comes I'll be by your side

| Em D | C
Girl, we're one step away from complete

| G
Baby, come kiss me
