## VERSE 1

C F | Am G | C F | Am G |  
I was raised by the rhythms on the radio-  
C F | Am G | C F | Am G |  
But today I'm not sure the message they're trying to show us  
| C F |  
With all their wish-wash, pish-posh  
Am G | C F | Am G |  
They got us chasing our egos

C F | Am G |  
Well Cat Stevens gave us tunes to believe in  
C F | Am G |  
And Bob Marley's the one keepin' us lively  
C F | Am G |  
You got a message, you sign and deliver with love  
C F | Am G | C F |  
Send it to your family, let it be one that always keeps us  
Am G | C F | Am G |  
Lookin' up even when times are tougher  
C F | Am G | C F | Am G |  
Always keeps us lookin' up even when roads are roug-her

F | G  
Hoo-hoo--hoo,  
| C F | Am G  
Yeah-he, yeah-ha  
| C F | Am G  
Yeah-he, yeah-ha, way-  
| C F | Am G  
Yeah-he, yeah-ha  
| C F | Am G |  
Yeah-he, yeah-ha way-

F | Am G | C | C |  
In my life I have always learned this way-  
F | Am G | C | C |  
Listen to the music, let the good vibes play—  
F | Am G | C | C |  
Be in your heart, be in your soul—

F | F  
And plant your seeds of love  
| G single G single | G single count\_3 | count\_4  
So they can grow, grow, grow—

## CHORUS

C F | Am G | C F | Am G  
Give us the roots down underground melody where freedom sound, yes  
| C F | Am G | C F | Am G  
We need the dragonfly lullaby melody that takes us higher  
| C F | Am G | C F | Am G  
Give us the roots down underground melody with freedom sound  
| C F | Am G | C F | Am G  
We need the dragonfly lullaby melody that takes us higher—

## VERSE 2

C F | Am G | C F | Am G |  
I was raised by the rhythms on the radio—  
C F | Am G | C F | Am G  
And today I'm still sure the music's here to move us  
| C F | Am G | C F | Am G |  
So start the root down soul sound, let the music turn your light on  
C F | Am G |  
'Cause Trevor Hall's chanting freedom for all, yes  
C F | Am G |  
And Nahko Bear brought some medicine to share, hey

C F | Am G |  
You got the message, you sign and deliver with love  
C F | Am G | C F  
Send it to your family, let it be one that always keeps us  
| Am G | C F | Am G |  
Lookin' up even when time are tougher  
C F | Am G | C F | Am G |  
Always keeps us lookin' up even when roads are rougher

F | G  
Hoo-hoo--hoo,  
| C F | Am G  
Yeah-he, yeah-ha  
| C F | Am G  
Yeah-he, yeah-ha, way—  
| C F | Am G  
Yeah-he, yeah-ha  
| C F | Am G |  
Yeah-he, yeah-ha way—

F | Am G | C | C |  
In my life I have always learned this way—  
F | Am G | C | C |  
Listen to the music, let the good vibes play—  
F | Am G | C | C |  
Be in your heart, be in your soul—

F | F  
 And plant your seeds of love  
 | G single G single | G single count\_3 | count\_2  
 So they can grow, grow, grow————

CHORUS

C F | Am G | C F | Am G  
 Give us the roots down underground melody where freedom sound, yes  
 | C F | Am G | C F | Am G  
 We need the dragonfly lullaby melody that takes us higher  
 | C F | Am G | C F | Am G  
 Give us the roots down underground melody with freedom sound  
 | C F | Am G | C F | Am G  
 We need the dragonfly lullaby melody that takes us higher—

| C F | Am G  
 This is a soul you see, this is a light that's free  
 | C F | Am G  
 And when the mind is clear, you've walked on through the fear  
 | C F | Am G  
 So hear the wisdom call, this is a song for all  
 | C F | Am G |  
 And when the ego's gone, you'll hear the joyful song you're singing

F | G  
 Hoo-hoo--hoo,  
 | C F | Am G  
 Yeah-he, yeah-ha  
 | C F | Am G  
 Yeah-he, yeah-ha, way—  
 | C F | Am G  
 Yeah-he, yeah-ha  
 | C F | G | F single  
 Yeah-he, yeah-ha way—
