Verse 1

When it all don't go the way I planned
When I've worked so hard for what I still don't have
When my best is just not good enough
When the clouds turn dark and grey
I know You've always made a way (So)

CHORUS (strum)

I will look this storm in the eye
I won't fear, for You're on my side
My first hope, my last word
Now and for ever
Let it rain, let it pour, I will sing
All You've ever been is good to me

VERSE 2 (finger)

At my very worst, You show me love
When I turn my back, You don't give up
You meet my needs, You always have
Steady and strong through the good and the bad

CHORUS (strum)

I will look this storm in the eye

I won't fear, for You're on my side

My first hope, my last word

Now and forever

Let it rain, let it pour, I will sing

All You've ever been is good to me

BRIDGE (strum)

Constant and faithful

Proven and able

You're all that I'll ever need—

CHORUS (finger)

I will look this storm in the eye

I won't fear, for You're on my side

My first hope, my last word

Now and forever

Let it rain, let it pour, I will sing

Oh let it rain, let it pour, I will sing—

All You've ever been is good to me
