

# Heaven Changes Everything

Big Daddy Weave

C | C | F | F |

## VERSE 1

These tears would just be tears fallin' down my face  
And this hurt would just be hurt with no healing on the way  
Thank You, Jesus, Heaven changes every-thing-

## VERSE 2

A good-bye would be goodbye with no "I'll see you again"  
And when a life is over, that would simply be the end  
Thank You, Jesus, Heaven changes every-thing-

## Chorus

In the light of eternity, I have this hope  
You hold my heart and I'm never alone  
One day, You're comin' back, one day, I'm comin' home  
Thank You, Jesus, Heaven changes every-thing

## Post-Chorus

Ooh, every-thing-

## VERSE 3

My questions would stay questions, no answers to be found  
And all the times I've fallen, I'd still be there on the ground  
Thank You, Jesus, oh

## VERSE 4

I can live for the day when my eyes will finally see  
Every piece that was broken, restored and redeemed  
Thank You, Jesus, Heaven changes every-thing
