A | A | F#m | F#m |  
D | D | E | E |

## VERSE 1

A | A |  
August afternoon  
F#m | F#m |  
I can picture you  
D | D | A | E |  
Walking with your father at your side  
A | A |  
In the summer heat  
F#m | F#m |  
California speaks  
D | D |  
Softly like she's making up  
A | E |  
her mind

## PRE CHORUS

F#m | F#m | D | E |  
And now, as I stand be-side you I say

## CHORUS

A | A | F#m | F#m |  
Baby, isn't it crazy that we are  
D | D | E | E | A |  
born only to die? Oh but lately,  
A | F#m | F#m |  
I've been counting my stars  
D | F#m |  
'Cause I will spend my  
E | E | A | A |  
whole life loving you

## VERSE 2

A | A |  
Through your shining eyes  
F#m | F#m |  
Sweet like Jeffrey Pines  
D | D | A | E |  
I pretended I could read your thoughts  
A | A |  
Now it's just the truth  
F#m | F#m |  
Seems our hearts have fused

D | D |  
Soldered like the gold  
A | E |  
your sister brought

## (Pre-chorus)

Gm | D |  
And how am I lucky enough to say
