If I had one of these girls as my companion

We'd be looking at all the stars under the banyan

Love what I see, but it don't impress me 'cause island girls is lookin' more proper

So you be talkin me be talkin' you, you number one

Favorite common island, mon

So I be sendin' all my love to the princess of the sea

Island girls, I love the way you

Groove me, groove me, ...island-girl
