Verse 1

It's her hair and her eyes today  
That just simply take me away  
And the feeling that I'm falling further in love  
Makes me shiver but in a good way-  
All the times I have sat and stared  
As she thoughtfully thumbs through her hair  
And she purses her lips, bats her eyes  
And she plays with me sittin there slacked jaw  
And nothing to say

CHORUS 1:

Coz I love her with all that I am  
And my voice shakes along with my hands  
Yes she's all that I see and she's all that I need  
And I'm out of my league once again

Verse:

It's a masterful melody  
When she calls out my name to me  
As the world spins around her  
She laughs, close her eyes  
And I feel like I'm fallin but it's no surprise

## CHORUS 2:

Coz I love her with all that I am  
And my voice shakes along with my hands  
Coz it's frightening to be swimming in this strange sea  
But I'd rather be here than on la-nd  
Yes she's all that I see and she's all that I need  
And I'm out of my league once again
