Em
I see a red door
      B7
and I want it painted black
Em
No colours anymore I
B7
want them to turn black

Em D   G   D
I   see the girls walk by,
             Em
Dressed in their summer clothes
Em D   G   D
I   have to turn my head
     A7   B7
until my darkness goes

Em
I see a line of cars
       B7
and they're all painted black
Em   B7
With flowers and my love both never to come back

Em D   G   D
I   see people turn their heads
        Em
and quickly look away
Em   D   G
Like a newborn baby
D   A7   B7
it just happens every day

Em   B7
I look inside myself and see my heart is black
Em
I see my red door
      B7
I must have it painted black

```
Em        D        G        D
Maybe then I'll fade away
        Em
And not have to face the facts
Em        D     G        D
It's not easy facing up
          A7                    B7
When your whole world is black

(play intro?)
Em
No more will my green sea
      B7
go turn a deeper blue
Em
I could not forsee this thing
B7
happening to you

Em D        G        D
If  I look hard enough
        Em
into the setting sun  (play intro?)
Em   D         G              D
My love will laugh with me
      A7                    B7
Before the morning comes

Em
I see a red door
        B7
and I want it painted black
Em
No colours anymore I
B7
want them to turn black

Em D        G              D
I    see the girls walk by
            Em
Dressed in their summer clothes
Em D        G        D
I   have to turn my head
      A7                    B7
until my darkness goes

Em                          B7                        Em                          B7
