VERSE 1

Something happened to this heart of mine
When I saw you standing in the sun
Something happened and I can't define
How I knew you were the one—

CHORUS

The world stood still while my head went spinning round
...I always will thank the Lord for what I found—

VERSE 2

Something happened and my prayers were heard
Now I'm walking in the sun with you
Something happened and with-out a word
I was sure you loved me too—

CHORUS

The world stood still while my head went spinning round
...I always will thank the Lord for what I found—

VERSE 3

Something happened and my prayers were heard
Now I'm walking in the sun with you
Something happened and with-out a word
I was sure you loved me too—
I was sure you loved me too—
I was sure you loved me too
