VERSE 1 (singles or stay on B with 4,4,2,3)

For so long I carried the weight of my past
Crippled by burdens like stones on my back
I thought I had fallen too far from your grace
But you came and showed me the way
When I was lost soul searching

You were the ground beneath my feet
When I was blind man begging
You were the eyes so I could see
When the smoke was rising up
You were the air that I could breathe
You gave me hope you gave me something to believe

CHORUS

Now I'm alive and born again
Rescued from the grip of sin
God your love came crashing in
And pulled me out of the fire I'm a survivor

VERSE 2

Now all I can see are the fields of your grace
Wherever I run you're leading the way
You shook the shackles off my feet

I found re-demption on my knees
You gave me hope you gave me something to be-lieve

CHORUS

Now I'm alive and born again
Rescued from the grip of sin
God your love came crashing in
And pulled me out of the fire
I'm a survivor Oh I'm a survivor

You're my God, You're my fighter
You make me, A sur-vivor

You're my God, You're my fighter
You make me, A sur-vivor

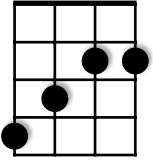

You're my God, You're my fighter
You make me, A sur-vivor

CHORUS

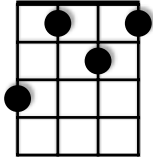

Now I'm alive and born again
Rescued from the grip of sin
God your love came crashing in
And pulled me out of the fire

Oh I'm a survivor
You pulled me out of the fire
I'm a survivor
