

## Capo 3

Roadmap: 1, 2, 3, C, 4, C, E

## Verse 1

**Em7 C2 G**  
 On a hill called Calva-ry  
**Em7 C2 G**  
 Stands an endless mer-cy tree.  
**Em7 C2 G**  
 Every broken, wea-ry soul,  
**Dsus D G**  
 Find your rest and be made whole.  
**Em7 C2 G**  
 Stripes of blood that stain its frame,  
**Bm C2**  
 Shed to wash away our shame.  
**G C2 G**  
 From the scars, pure love re-leased;  
**Dsus D G**  
 Salvation by the mercy tree.

## Verse 2

**Em7 C2 G**  
 In the sky be-tween two thieves  
**Em7 C2 G**  
 Hung the blameless Prince of Peace,  
**Em7 C2 G**  
 Bruised and battered, scarred and scorned,  
**Dsus D G**  
 Sacred head pierced by our thorns.  
**Em7 C2 G**  
 "It is finished!" was His cry.  
**Bm C2**  
 The perfect Lamb was cru-cified.  
**G C2 G**  
 His sacri-fice, our victo-ry;  
**Dsus D G**  
 Our Savior chose the mercy tree.

## Ending

**Em7 C G**      **Em7 C2 G**  
 On a hill called Calva-ry stands an endless mercy tree.

## Verse 3

**Em7 C2 G**  
 Hope went dark that violent day.  
**Em7 C2 G**  
 The whole earth quaked at Love's display.  
**Em7 C2 G**  
 Three days silent in the ground,  
**Dsus D G**  
 This body born for heaven's crown.  
**Em7 C2 G**  
 On that bright and glo-rious day  
**Bm C2**  
 When heaven opened up the grave  
**G C2 G**  
 He's a-live and risen in - deed!  
**Dsus G**  
 Oh, praise Him for the mercy tree!

**D Em7 C2**  
 Death has died, love has won; Halle-lujah,  
**G D Em7**  
 Halle-lujah! Jesus Christ has over-come;

 He has risen from the dead!

## Verse 4

**Em7 C2 G**  
 One day soon we'll see His face  
**Em7 C2 G**  
 Every tear He'll wipe away.

 No more pain or suf-fering;  
**Dsus G**  
 Praise Him for the mercy tree.
