Not this one where I'm in tears
| G \ A \ | F

CHORUS
| C
If it was up to me There'd be no gravel

roads. No wounds, no blisters on my

soul. Pain might come, but it wouldn't
| F | Am
come for me... If it was up to me
| G
I'd take the easy ride But I'd miss the
|
grace that changed my life. Thank
F | F
God I'm not the one in charge of things

He always has a purpose

Through the joy and suffering

I'd be crazy not to trust Him

With everything
