VERSE 1
Sun′s up, I′m smiling slow
Pour that brew, let the blessings flow
Steam rising, faith on ten
Here we go again
Take a sip, take a breath
Ain′t no rush, no stress
Got a good book by my side
And that peace, I can't hide
chorus

CHORUS
Yeah, me, Jesus, and my coffee
That's all I need to start my day
No matter what′s out there waiting
My worries fade away
He fills my cup (He warms my soul)
And every sip makes me whole
Yeah, me, Jesus, and my coffee
Everything′s gonna be okay
verse

VERSE 2
Bills due, phone won't quit (whoa)
But I ain′t losing joy one bit (no)
Turn that radio nice and loud
Sing my praises proud
I got joy in my cup, yeah, love in my hand (love)
A little bit of Heaven when the day begins (oh)
Can't nobody steal my groove
When I start my day with You

CHORUS
Yeah, me, Jesus, and my coffee
That′s all I need to start my day
No matter what's out there waiting
My worries fade away
He fills my cup (He warms my soul)
And every sip makes me whole
Yeah, me, Jesus, and my coffee
Everything′s gonna be okay

BRIDGE
Sip, sip (oh, yeah)
Stir it up (come on)
Take a breath (take a breath)
Let the joy (let joy begin)
Do it again

Me, Jesus, and my coffee (woo)
That's all I need today

He fills my cup (He warms my soul)

Yeah, me, Jesus, and my coffee
Everything's gonna be okay
