Friday night, date night, I say "Pick out what you
|
like."
Bb | C F | Bb
I don't care as long as you're here. ... Surprise,
|
surprise. Ain't that nice.
C F | Bb
Same old chick flick, Eighteenth time. You know the
| C |
one with that guy.
Bb | F
Half way through, look at you, Smiling like you
|
always do
Bb | C | F
And I can't help but just stare 'Cause suddenly,
Bb |
it hits me
C F | F Bb
As I watch you make believe, I want to make this
| C |
your reality
Bb | C | Bb
And if you'll be my leading lady, Even though I may
| C single
look crazy

CHORUS (strum)
| Bb F | C
I'll grab your hand, ask you to dance, In the middle
Dm
of the street
| Bb F | C
Learn to sign, cheesy lines, Like "Baby, you
complete me."
| Bb F | C
And in case you forget, Where we've been and
Dm
what we did
| Bb F | C
I'll write it all down, read it out loud, Again and
again.
| Bb | C | Bb
I promise if you let me, I'll love you like the
finger | C F
movies.

VERSE 2 (finger)

Now I've never been one of them, Guys who could
F |
be leading men
Bb | C
Just never seemed all that real. ("Well you're like
5-6." "So was Tom Cruise." "True.")
| F Bb
But here right now, With you somehow
| C F | Bb
The kind of love they write about, Is the kind of
| C
love that I'm starting to feel
