VERSE 1

```
      | A      | A
On a   hill far   away
            | D          | D
Stood an   old rugged   cross
     | E          | E           | A *       |
The   emblem of   suffering and      shame
E      | A           | A
..Well I   love that old   cross
            | D          | D
Where the   dearest and   best
       | E          | E          | A    | A
For a   world of lost   sinners was   slain
```

And I'll   cherish the   old rugged   cross
            | D          | E    | A         | A
Until my   trophies at   last I   lay down

I will   cling to the   old rugged   cross

And   exchange it   someday for a   crown

```
         | A          | A          | D       | D
To the   old rugged   cross I will   ever be   true

Its   shame and   reproach gladly   bear
            | A       | A                | D         | D
Then he'll   call me   someday to my   home far
