Raise your own Hallelujah. There's a song written on your heart only you can sing. When you
| C | C | C | C
sing the enemies flee, when you sing prison walls come falling down. When you sing, Heaven invades
| C | C | | C | C | C
the Earth. So just begin to lift up your Hallelujah, raise it like a banner. Raise it like a flag. Raise it
| C | C | C | C
in the middle of the storm. Let it rise, let it rise. Like a symphony to the King. Everything to You,
| C |
Jesus. We raise it all.
