*18 Measures of barely audible piano. This can only be heard for the first four measures but probably work to finish the song.
**The repeating E C A pattern can be used in the two beat pauses above after the Fmaj7.

```
A |----------------|----------------|----------
E |----------------|----------------|----------
C |-------40-----40|---40-----------|----------
G |-02------2------|2----2---------0|--2--------
A |-----|----------------|
E |-----|----------------|
C |40---|--40------------|
G |--2--|----------------|
```

2nd option for E C A which is a little easier to play after the Fmaj7

```
A |--7-------------|
E |--85------------|
C |----------------|
G |----------------|
```
