VERSE 1

C F | Am G | C F | Am G |
I was raised by the rhythms on the radio
C F | Am G
But today I'm not sure the message they're trying to
| C F | Am G |
show us
| C F |
With all their wish-wash, pish-posh
Am G | C F | Am G |
They got us chasing our egos

C F | Am G |
Well Cat Stevens gave us tunes to believe in
C F | Am G |
And Bob Marley's the one keepin' us lively
C F | Am G |
You got a message, you sign and deliver with love
C F | Am G | C F
Send it to your family, let it be one that always
|
keeps us
Am G | C F | Am G |
Lookin' up even when times are tougher
C F | Am G
Always keeps us lookin' up even when roads are
| C F | Am G |
roug her

F | G
Hoo-hoo- hoo,
| C F | Am G
Yeah-he, yeah-ha
| C F | Am G
Yeah-he, yeah-ha, way
| C F | Am G
Yeah-he, yeah-ha
| C F | Am G |
Yeah-he, yeah-ha way

F | Am G | C | C |
In my life I have always learned this way
F | Am G | C | C |
Listen to the music, let the good vibes play
F | Am G | C | C |
Be in your heart, be in your soul
F | F
And plant your seeds of love
| G single G single | G single count_3
So they can grow, grow, grow
| count_4

CHORUS

C F | Am
Give us the roots down underground melody where
G | C F | Am G
freedom sound, yes
| C F | Am G
We need the dragonfly lullaby melody that takes
| C F | Am G
us higher
| C F | Am
Give us the roots down underground melody with
G | C F | Am G
freedom sound
| C F | Am G
We need the dragonfly lullaby melody that takes
| C F | Am G
us higher

VERSE 2

C F | Am G | C F | Am G |
I was raised by the rhythms on the radio
C F | Am G | C
And today I'm still sure the music's here to move
F | Am G
us
| C F | Am G
So start the root down soul sound, let the music
| C F | Am G |
turn your light on
C F | Am G |
'Cause Trevor Hall's chanting freedom for all, yes
C F | Am G
And Nahko Bear brought some medicine to share,
|
hey

C F | Am G
You got the message, you sign and deliver with
|
love
C F | Am G | C F
Send it to your family, let it be one that always
keeps us
| Am G | C F | Am G |
Lookin' up even when time are tougher
C F | Am G |
Always keeps us lookin' up even when roads are
C F | Am G |
rougher

F | G
Hoo-hoo- hoo,
| C F | Am G
Yeah-he, yeah-ha
| C F | Am G
Yeah-he, yeah-ha, way
| C F | Am G
Yeah-he, yeah-ha

| C F | Am G |
Yeah-he, yeah-ha way

F | Am G | C | C |
In my life I have always learned this way
F | Am G | C | C |
Listen to the music, let the good vibes play
F | Am G | C | C |
Be in your heart, be in your soul
F | F
And plant your seeds of love
| G single G single | G single count_3
So they can grow, grow, grow
| count_2

CHORUS
C F | Am
Give us the roots down underground melody where
G | C F | Am G
freedom sound, yes
| C F | Am G
We need the dragonfly lullaby melody that takes
| C F | Am G
us higher
| C F | Am
Give us the roots down underground melody with
G | C F | Am G
freedom sound
| C F | Am G
We need the dragonfly lullaby melody that takes
| C F | Am G
us higher

| C F | Am G
This is a soul you see, this is a light that's free
| C F | Am G
And when the mind is clear, you've walked on
through the fear
| C F | Am G
So hear the wisdom call, this is a song for all
| C F | Am G
And when the ego's gone, you'll hear the joyful
|
song you're singing

F | G
Hoo-hoo- hoo,
| C F | Am G
Yeah-he, yeah-ha
| C F | Am G
Yeah-he, yeah-ha, way
| C F | Am G
Yeah-he, yeah-ha
| C F | G | F single
Yeah-he, yeah-ha way
