E | A B |
I set out on a narrow way
A B | E |
Many years ago
E | A B |
Hoping I would find true love
A B | E
Along the broken road
| C#m | B |
But I got lost a time or two
A | E |
Wiped my brow and kept pushing through
C#m B | A E |
I couldn't see how every sign
A B | E |
Pointed straight to you

E | A | E
Every long lost dream
| B | C#m
Led me to where you are
B | A | E
Others who broke my hea rt
| F#m | B |
They were like Northern sta rs
A |
Pointing me on my way
E | B |
Into your loving
C#m B | A | A
Arms, This much I know is true
| E | A B |
That God blessed the broken road
A B | E |
That led me straight to you

E | A B |
I think about the years I spent
A B | E |
Just passing through
E | A B |
I'd like to have the time I lost
A B | E |
And give it back to you
C#m | B |
But you just smile and take my hand
A | E |
You've been there you understand
C#m B | A E |
It's all part of a grander plan

E B | E |
That is coming true

E | A | E
Every long lost dream

Led me to where you
C#m B | A | E
Are, Others who broke my hea rt
