INTRO Capo 1
D | Em | Em | D

| D
It's a beautiful day
|
People around me
Em
Move and sway
|
Birds in the palm trees
G
Call my name
|
All I can feel is
D
down down down

VERSE 1
| D
I go somewhere
|
Drink til I grow wings
Em
Find someone to help
|
me forget things
G
That brand new
|
Ain't gonna help me
D |
now now now

A |
And if I feel like crying
G |
It's just a temporary
A
low. Don't try to comfort me
**| G **
Let it go, let it go, let it go
|
'Cause I don't know

CHORUS
D |
Why
Em |
Some days get hold of me
Em |
Sometimes it's hard to just be
D | D |
happy. And I could try
Em |
Don't seem no use to me
Em |
Sometimes it's hard to just be
D
happy.

VERSE 2
| D
So I'm gonna ride this low
|
See where it takes me
Em
Ebbs and flows
|
Don't try to save me
G
I'm alright. My world keeps
| D |
spinning round and round

A |
So if you see me crying
G |
I don't need no consolation
A
I just need some time
**| G **
And I know that I'm gonna be fine
|
But I can't say

CHORUS
D |
Why
Em |
Some days get hold of me
Em |
Sometimes it's hard to just be
D | **D** |
happy. And I could try
Em |
Don't seem no use to me
Em |
Sometimes it's hard to just be
D |
happy.

D |
All I need is
Em |
time to breathe and
Em | **D** |
I will be al right.

D |
All I need is
Em |
time to breathe and
Em | **D** |
I will be al right

A
So no matter how this goes
| **G** \
Ain't gonna cry and I ain't
| **G** \
gonna whine about it no more
|
Please tell me

CHORUS
D |
Why
Em |
Some days get hold of me
Em |
Sometimes it's hard to just be
D | **D** |
happy. And I could try
Em |
Don't seem no use to me
Em |
Sometimes it's hard to just be
D |
happy..so

D | **Em** |
sometimes oh, oh...oh,
Em | **D** |
Oh, hard to just be happy, oh my
D |
darling, found out something
Em |
ready, oh so I try so
Em | **D** |
hard, it's hard to just be happy...

2x
D | **Em** |
all I need is time to breath and
Em | **D**
I will be al right
