..I get no kick from champagne
Mere alcohol doesn't thrill me at all
So tell me, why should it be true? Mm, yeah
I get a kick out of you (me?)

Some, they may go for cocaine
I'm sure that if I took even one sniff
It would bore me terrifically, too
Yet, I get a kick out of you

I get a kick every time I see you standing there before me
I get a kick, though, it's clear to see, you obviously don't adore me
I get no kick in a plane
Flying too high with some gal in the sky is my idea of nothing to do
Yet, I get a kick out of you

I get a kick, though, it's clear to see
You, obviously do not adore me
I get no kick in a plane
Flying too high with some gal in the sky is my idea of nothing to do

Yet, I get a kick
You give me a whirl
I get a kick out of you
Get my kicks out of you
