```

VERSE 1

```
                | G                 | G                       |
Long drive,   long night, the   best night of my life
G           | G       | G             | G                 |
..With you   ..riding   ..your hand   ..on my hand.
Em                | Em        | C         | C
..The thought of   ..arriving,   ..kind of   ..feels
        | G                 | G               | G         |
like dy  ing. I don't want   ..to go home   ..and be
G        | G             | G             | G
..alone.   ..Could we,   ..stay out?   ..Could you...
```

PRE-CHORUS

```
G               | Em                                    |
..Drive a little   slower, don't matter where we're
Em                        | C \      silent3 |
going..As long as I'm       with you,
C silent4                    | G strum | G | G | G |
   we can take the long wa      aa         y.
```

VERSE 2

```
G         | G        | G             | G      |
..Chevy   ..Nova   ..front seat   ..sofa
G         | G        | G         |
Getting   ..closer   ..to you.
```

PRE-CHORUS

```
G               | Em                                    |
..Drive a little   slower, don't matter where we're
Em                        | C          |
going..As long as I'm   with you,
C                           | G | G | G |
we can take the long wa  aa  y.
G               | Em                          | Em
Drive a little   slower, not ready to go   home,
                  | C \\            pause2 |
I'd rather stay       with you...
```

CHORUS

```
C silent                    | G | G | Gmaj7 |
   We can take the long wa  aa  y    out
G         | Em                  |
..To the   country out of town.
Em          | C                       |
..Let's get   lost; I don't wanna be
C                        | G | G | Gmaj7 |
found. Let's get awa  aa  y,   now
G           | Em                | Em
..And be   careful not to cra  sh..There's
        | C                              | C
no de  frost and we're steaming the   glass.
                  | Am                          | Am
You and the   road have a generous   shoulder
                  | D \      pause3 | pause4
We can pull       over              ..and say
                                  | Em | Em
we took the long wa  aa     y.
```

BRIDGE (driving, forceful)

```
          | C         | C          |
Ahhhh  Ahhhhh  Ahhhhhh
D           | D         | D           | D          |
AAAhhhh  Aahhhh  AAAhhhh  Aahhhh
Em                          |
Headlights (headlights),
Em
strobe lights (strobe lights)
               | C
I can see   you (see you),
             | C
but not   quite (not quite)
          | D                    | D
I can   feel you (feel you)   inside (inside)
        | G                    | G
The   timing (timing) is   just right (just right)
             | C
For the   moment (moment)
           | C
I don't   want (don't want),
    | D                        |
to   go home (go home)
```

CHORUS

```
D \ pause3              | G | G | Gmaj7 |
     Take the long wa  aa  y    out
G             | Em          | Em          | C |
..wayout..   ..wayout..   ..wayout..
C                       | G | G | Gmaj7 |
..Take the long wa  aa  y    now
G             | Em          | Em   | C     |
..wayout..   ..wayout..   ..way  out..
```

PRE-CHORUS

```
C               | Em                                    |
..Drive a little   slower, don't matter where we're
Em                    | C          |
going..going now   ..wayout..
C                     | Em                              |
..Drive a little   slower, don't matter where we're
Em                      | C     | C                   |
going..going now.   ..way  out..drive a little
Em                                | Em                  |
slower, I'm not ready to go   home, I'd rather stay
C               | C quiet                 | G | G | G |
with you..We      can take the long wa  aa  y.
G | G | G | G | G |
```

OUTRO (intro riff 3x)

```
G               | G              |
Long drive,   ..long night,
G                     | G \
..the best night      ..of my life
```
