VERSE 1
Bb | Dm |
I walked across an empty land
Eb | F
I knew the pathway like the back
| Bb |
of my hand. I felt the earth
Dm | Eb
beneath my feet. Sat by the river,
| F |
and it made me complete

CHORUS
Gm | Dm
Oh, simple thing, where have
| Eb
you gone? I'm getting old, and
| F |
I need something to rely on.
Gm | Dm
So tell me when you're gonna

let me in. I'm getting tired, and
| F |
I need somewhere to begin

VERSE 2
Bb | Dm |
I came across a fallen tree

at me. Is this the place

we used to love? Is this the place
| F |
that I've been dreaming of?

CHORUS
Gm | Dm
Oh, simple thing, where have
| Eb
you gone? I'm getting old, and

I need something to rely on.

I need somewhere to begin

we go? Talk about it somewhere
