```
          | F                  | F              |
There's   so many things   I didn't say.
Bb                 | Gm7                        |
Even though, it   may be too late, I want
F              | F                  | C   C7 |
you to know   ...I still love you   so.
C        | F                  | F
...Every   color of leaves,   looks like your
               | Bb                 | Gm7
