

# It's Beginning to Look A Lot Like Christmas

Traditional  
Edited 12-7-24

\*Play D as a bar chord and  
the whole song gets easier.

## VERSE 1

It's be-gin-ning to look a lot like  
 Christmas, every-where you go  
 Take a look in the five-and-ten,  
 Glistening once again, with  
 Candy canes and silver lanes a glow

## VERSE 2

It's be-gin-ning to look a lot like  
 Christmas, toys in every store  
 But the prettiest sight to see,  
 is the holly that will be,  
 on your own front door

## CHORUS

A pair of hop along boots and a  
 Pistol that shoots is the wish of  
 Barney and Ben  
 Dolls that will talk and will go for a walk  
 Is the hope of Janice and Jen  
 And Mom and Dad can  
 Hardly wait for school to start again

## VERSE 3

It's be-gin-ning to look a lot like  
 Christmas, every-where you go

There's a tree in the Grand Hotel,  
 one in the park as well,  
 the sturdy kind that  
 doesn't mind the snow

## VERSE 4

It's be-gin-ning to look a lot like  
 Christmas, soon the bells will start  
 And the thing that will make them ring,  
 is the carol that you sing,  
 right with-in your heart

## CHORUS

A pair of hop along boots and a  
 Pistol that shoots is the wish of  
 Barney and Ben  
 Dolls that will talk and will go for a walk  
 Is the hope of Janice and Jen  
 And Mom and Dad can  
 Hardly wait for school to start again

## VERSE 5

It's be-gin-ning to look a lot like  
 Christmas, toys in every store  
 But the prettiest sight to see,  
 is the holly that will be,  
 on your own front door  
 For it's Christmas once more!
