VERSE 1

The darkness came like a thief
Knocked you off of your feet
You were in the middle of
disaster you were brave just
like I'm trying hard to be

CHORUS

Sleep well, sweet soul.
If I'm honest, I don't want to
let you go. Sleep well, sweet
soul, nothing's broken anymore
You've been made whole

VERSE 2

You were light in the dark
A sunlit day in the park
Part of you will always be here
with me. And I'll carry you
forever in my heart

CHORUS

Sleep well, sweet soul.
If I'm honest, I don't want to
let you go. Sleep well, sweet
soul, nothing's broken anymore
You've been made whole

VERSE 3

I know you're there with Jesus
safe and sound.
But I miss you so much I can barely
breathe. And I can't help thinking
when I turn a-round. You will be here
and this was all a dream

CHORUS

Sleep well, sweet soul.
If I'm honest, I don't want to
let you go. Sleep well, sweet
soul, nothing's broken anymore
You've been made whole.
Nothing's broken anymore
You've been made whole
