VERSE 1

I know a guy that's got a lot to lose,
He's a Pretty nice fella, kinda
confused. Got Muscles in his head
ain't never been used, thinks he
owns half of this Town.
Starts drinkin' heavy, gets a
big red nose, beats his old lady,
with a rubber hose. Then he takes
her out to dinner, buys her new clothes,
that's the way that the world goes round.

CHORUS

That's the way that the world goes 'round,
You're up one day, the next you're down,
It's half inch of water,
you think you're gonna drown,
That's the way that the world goes round.

VERSE 2

..I was sittin' in the bathtub, a-countin' my toes,
When the radiator broke, the water all froze.
I got stuck in the ice, without my clothes,
Naked as the eyes of a clown.

..I was crying ice cubes, hoping I'd croak,
When the sun came through the window,
the ice all broke. I stood up and laughed;
I thought it was a joke,
that's the way that the world goes round.

CHORUS

That's the way that the world goes 'round,
You're up one day, the next you're down,
It's half inch of water,
you think you're gonna drown,
That's the way that the world goes round.

CHORUS

That's the way that the world goes 'round,
You're up one day, the next you're down,
It's half inch of water,
you think you're gonna drown,
That's the way that the world goes round.

That's the way that the world goes round.
That's the way that the world goes round.
